

Logging In to the Event App

1 Download the app. On the device you're bringing to the event, access the App Store or Google Play Store and search for the "Cvent Events" app or the custom app for your event. Once you've found the app, download it.

2 Search for the event. (Global Health Security Conference 2024) Return to your device's home screen and open the app. Enter the event name or event ID in the search bar.

3 Download the event. Tap the  icon to download the event.

4 Enter your info. Enter your first name, last name, and email. Then tap the arrow.

If prompted, enter the event ID (**Global Health Security Conference 2024**) and tap **Download event**.

5 Verify your account. You'll either receive an email and text message containing a verification code or just an email. Read it, then return to the app, enter the code, and tap the arrow.

After entering the verification code, you'll be logged in and taken to the event home page.
