

## **GHS2026 Conference Workshops**

***Day One - Tuesday 9 2026, 1:45pm-3:45pm  
Room 410***

### **Advancing Biosafety and Biosecurity in Africa: Reflections on the 2021–2025 Strategy and Pathways for the 2025–2030 Strategy**

#### **Aim & Objectives:**

- Disseminate the findings of the independent evaluation of the Africa CDC Biosafety and Biosecurity Strategy (2021–2025), with a focus on achievements, challenges, lessons learned, and the broader global relevance of Africa’s biosafety and biosecurity model.
- To present the Phase II Biosafety and Biosecurity Strategy (2025–2030), outlining its strategic objectives, priority interventions, and implementation roadmap.
- To foster dialogue among Member States, regional bodies, and partners on collaborative mechanisms, resource mobilization, and policy alignment to advance biosafety and biosecurity in Africa and contribute to global health security.

#### **Target Audience:**

This workshop is intended to present to policy makers, funding organizations and conference delegates findings of the independent evaluation of the Phase I (2021-2025) BSBS Strategy on impact, effectiveness, lessons learned and proposed priorities for next phases. The workshop will also present the 2025-2030 Strategy.

Proposed geographical or population focus:

Workshop open to any conference delegate
